

Your name (optional)	multi building property owner, and resident on the 3000 block of Cedar Ave S, for over 50 years
Comments- all will be part of the public record	<p>*I am absolutely and unequivocally OPPOSED to any liquor and/or entertainment license being issued to this restaurant in particular or any other restaurant nearby! *there was a corner bar in that bldg in the 1960's/70's > fights, sirens, noise, public urination, trespassing, etc, etc. *Betty's Rose Bowl on Lake St between Cedar and Longfellow thru the 80's 90's, early 2000's > drunks, trespassing, public urination, fights, speeding thru our alleys, property damage and crime, and eventually attracting drugs, prostitution, etc.. and now in 2026, we have the added risk of people carrying guns and everything that that could bring with it!! NO THANK YOU! *bottom line, there is absolutely no way that this restaurant can control any of the above occurrences or situations, once the customers leave their business. It is inflicted on all of the residents... who also pay hefty taxes!! *As a longtime resident and property owner, on Lake and Cedar (since the 1960's) and former ccp/safe block leader, it has been pretty calm on these blocks since the bars and liquor left. *Please deny this request!! p.s. I am not opposed to alcohol or music... just not so close to residential properties!</p>
