

Your name (optional)	Scott Horne, 2514 4thSt NE
Comments- all will be part of the public record	Many of us are eternally grateful for(2500 Univ Ave NE) Stanley's 12am Fri and Sat closing time. The 2am closing (proposed) for Hemp shop about 200 feet from 2am closing (daily) for NE Palace bar is torture for our neighborhood. We do, however, appreciate the MPD surveillance camera @ Lowry&4th St NE.

Comments- all will be part of the public record	Unfortunately this part of NE does not have a good track record after dark. Considering it's proximity to the Palace, and all the problems we deal with them on a nightly basis, this will only contribute to those issues. Stanleys across the street closes at midnight. They used to stay open until 2AM. Nothing good happens after midnight at a bar, and I can't imagine anything good will happen after dark at a tobacco shop up the street from a problem bar. Also, that intersection has been an on going issue with accidents. Unless they fix that issue, I don't see why it would even be considered to stay open until 2am. An email has circulating with all of our neighbors about this issue. I can only imagine all of them feel the same way. Please don't let this happen.

Your name (optional)	LT - resident 2500 block of 4th St. NE
Comments- all will be part of the public record	I am a resident and homeowner on the 2500 block of 4th St NE and share an alleyway with the Tobacco and Vape shop. I am concerned that extending their hours of operation will contribute to the ongoing nightly traffic, noise, disturbances that happen between 4th St NE and University and down our alleyway; and increase trash, foot and car traffic in an area that is already struggling with almost nightly disturbances from intoxicated people. I strongly oppose extending their hours on weekends past midnight and would ask that they keep to their current hours.
