1. Conditional Use Permit, subject to the following conditions:

- a. The conditional use permit shall be recorded with Hennepin County as required by Minn. Stat. 462.3595, subd. 4 before building permits may be issued or before the use or activity requiring a conditional use permit may commence. Unless extended by the zoning administrator, the conditional use permit shall expire if it is not recorded within two years of approval.
- b. The applicant shall, within one month of the date the Certificate of Occupancy is issued, consult with businesses in the Downtown Longfellow business district and finalize and implement a plan

for public use of the redeveloped surface parking lots on the 3000 Minnehaha Avenue and 3033 Snelling Avenue parcels, including the ADA accessible parking spaces, at minimum, during times when they are not being used by the City occupant.

2. Preliminary Plat to create two new parcels and a new public alley.
3. The site plan review for a two-story, approximately 16,800 square-foot addition to an existing building, subject to the following conditions:
 - a. All site improvements shall be completed by June 22, 2028, unless extended by the Zoning Administrator, or the permit may be revoked for non-compliance.
 - b. CPED staff shall review and approve the final site, elevation, landscaping, and lighting plans before building permits may be issued.
 - c. The applicant shall submit the tax parcel division, combination, or lot line adjustment request form to CPED and submit proof of the filing with Hennepin County.
 - d. All signs shall comply with Chapter 560 of the zoning code. All signage requires a separate permit from CPED.
 - e. A minimum of five trees shall be provided along the accessory parking area's frontage on Snelling Avenue.

Further, Chowdhury moved to adopt findings as submitted by the Community Planning & Economic Development Department, in addition to the following as it relates to the Conditional Use Permit's requirement that its conditional use will not be injurious to the use and enjoyment of other property in the vicinity and will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district: The proposed redevelopment will impact the City's surface parking lots on the 3000 Minnehaha Avenue and 3033 Snelling Avenue parcels, reducing the number of spaces from 134 to 59. This lot has been utilized by customers of businesses in the Downtown Longfellow business district since approximately 2020, although it is not a public lot and no use agreement or legal right for the public to use the City's lot exists.

Stevenson, Chavez, Chughtai, Whiting, Chowdhury, and Palmisano**

Honoring and recognizing the Minneapolis Aquatennial 2026.

Whereas, the City of Minneapolis takes great pride in the enduring legacy and history of the Minneapolis Aquatennial, the Official Civic Celebration of Minneapolis; and

Whereas, later that year, on December 6, 1865, the 13th Amendment to the Constitution, which abolished slavery, was ratified by Congress; and

Whereas, for 87 years, the Minneapolis Aquatennial has brought together residents, families, businesses, and visitors in celebration of the lakes, parks, culture, and communities that define Minneapolis, earning its cherished reputation as “The Best Days of Summer”; and

Whereas, originating in 1940, the Minneapolis Aquatennial has grown into one of Minnesota’s most beloved civic traditions, welcoming generations of Minnesotans and visitors alike to participate in free and accessible community events, including: the Torchlight Parade, Milk Carton Boat Races, Sandcastle Competitions, River Rats Show, EDM Party, Broadway Sing-a-long, and many more across the city; and

Whereas, the Minneapolis Aquatennial continues a proud tradition of women’s leadership development by welcoming approximately 50 college women from communities across Minnesota to participate in a week-long professional development program focused on mentorship, leadership, and service; and

Whereas, the Minneapolis Aquatennial showcases the resilience, compassion, and unity of Minneapolis, a city that, even in moments of uncertainty and hardship, continues to come together in support of neighbors, local businesses, families, and communities impacted by division, fear, and disruption; and

Whereas, the Minneapolis community has demonstrated extraordinary strength and solidarity by uplifting one another through moments of challenge, reaffirming the city’s enduring values of inclusion, dignity, safety, and belonging for all people – something we come together to celebrate; and

Whereas, the Minneapolis Aquatennial serves as a powerful reminder that celebration, public gathering, civic pride, and free community events strengthen the social fabric of Minneapolis and help foster connection, joy, and hope for future generations; and

Whereas, the Minneapolis Aquatennial reflects the welcoming and inclusive character of Minneapolis by creating opportunities for residents and visitors of all backgrounds to gather in celebration of community, culture, and shared experiences; and

Whereas, the City of Minneapolis, in partnership with Hennepin County and the Minneapolis Park and Recreation Board, recognizes and celebrates the week of Juneteenth with activities to commemorate June 19, 1865, and lighting of the I-35W bridge; and

Whereas, the City of Minneapolis recognizes the Minneapolis Aquatennial as a treasured civic institution that strengthens community bonds, supports local businesses and organizations, highlights the vitality of downtown and neighborhoods across the city, and creates lasting memories for generations of residents and visitors;

Now, Therefore, Be It Resolved by The City Council of The City of Minneapolis:
