11/19/2010	10 925371	Resolved	CS - CSO Complaint - Parking FYI - No Response Required	There is a guy who drives a green Ford. I don't know the car model, but the license plate is 594-AYR. Mon/Wed/Fri, between 11-noon, the University of St. Thomas has class sessions, in which I'm certain he attends, because he always parks his car on the street, just outside of the parking zone (as in, just past the sign that says "no parking here to corner"). I see his car there 80% of the time (MWF 11-12), and I think I've only seen him get a ticket once.

10/01/1997	<u>99 002853</u>	Closed	EC - Environmental Complaint History (DC)	From Mayor's Complaint Office, 9/9/97. Complainant says 3 calls went to the Mayor's Office this

weekend: This is regarding the variance given to St. Thomas for an activity which took place there. The music was much too loud and disturbing to the callers. kko
