The assessor,

We thank the City for the great improvement to our neighborhood as everyone will benefit from this great project as it states, "**Public improvement**" not Individual Improvement. At the same time, I do not agree with the assessed money of \$9299.20 that will be imposed on 373 Ruth Street, St. Paul MN 55119. The sales of the business dropped drastically due to the project. I am requesting assistance to make up for the loss on the impact of the project to the business. It will be beneficial for the City to tax everyone in St. Paul on the cost as everyone will benefit from the project. I can be reached at 6513999081 for further questions. Thank you for all you do.
