Hello Greg,

Can you add the email below as an attachment to tomorrow's Council agenda for Item #1? Thanks.

Subject: Seal coating

Councilmember: I'm writing to confirm that, when the City begins a residential seal coating program again, we will start with the residential streets that were next in line and planned for this summer.

I've confirmed this with street maintenance and communications staff.

Please let me know if you have any questions.

Thanks – Sean
