Dear Council President Brendmoen and Council Members:

On behalf of the Saint Paul Regional Labor Federation, I ask you to support the update of the Earned Sick and Safe Time ordinance in Ord 23-48.

This update will bring our existing city ordinance into conformity with state law while maintaining important provisions from the Saint Paul ordinance that were not included in state legislation. The proposed changes will make it easier for employers to comply with the ordinance, for the city to enforce it, and for workers to access and use the benefits they have earned.

Kera Peterson

President

Saint Paul Regional Labor Federation, AFL-CIO
