WHEREAS, the NOV stated "Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that the City Council impose the costs of this administrative hearing, per Saint Paul Legislative Code §310.05(k); and

WHEREAS, Saint Paul Legislative Code §310.03(k) allows for council to impose the costs of an administrative hearing stating:

Each party was represented by Counsel, submitted exhibits and stipulated facts into the record, the Licensee testified on his own behalf and the parties made closing arguments; and

WHEREAS, under the penalty matrix in Chapter 324.10 of the Legislative Code the presumptive penalty in this matter is a 10-day license suspension; and

WHEREAS, on August 15, 2023, Judge Case issued her Findings of Fact, Conclusions of Law and a Recommendation, herein incorporated as Exhibit 1, which supported the Department's recommendation and asserted that the "City Council should find Licensee violated St. Paul Legislative Code §324.07 (j) and impose a 10-day suspension of Licensee's Tobacco Shop License"; and

WHEREAS, Judge Case also found that “the prohibited products did not have Minnesota tax stamps affixed to them and some had tax stamps of unknown origin that had been partially scratched off.”; and

WHEREAS, Judge Case concluded that “The City has established that Licensee violated St. Paul Legislative Code § 324.07(j) by offering prohibited flavored tobacco products for sale; and

WHEREAS, Judge Case also concluded that the “Licensee has not established any basis to depart from the presumptive penalty for its violation.”; and

WHEREAS, in her Memorandum, Judge Case concluded that “Licensee argues that a sub-lessee’s actions cannot be imputed to the Licensee. The City argues that such an exception would mean that all sorts of illegal activities could be carried out inside licensed premises with impunity simply by subleasing an area in which illegal activity could take place. The City makes a valid point. However, it is unnecessary to reach a conclusion on the sub-lessee issue because Licensee’s story is not credible.”; and

WHEREAS, based on the findings of the Administrative Law Judge that the Licensee’s story was not credible, and the blatant violation of the City’s regulations related to the sale of prohibited flavored tobacco products, the Department is recommending that City Council impose the costs of the contested hearing upon the Licensee; and

WHEREAS, as evidenced by the three (3) invoices the Department of Safety and Inspections received from the Office of Administrative Hearings the cost of the hearing was \$4,415.00; and

WHEREAS, although reimbursement for city staff and attorney time is also permissible under Saint Paul Legislative Code §310.03 (k), the Department is not recommending that the Council require the Licensee to reimburse the City for city staff and attorney time; and

WHEREAS, at a hearing on October 4, 2023, the City Council considered all the evidence contained in the record including Judge Cases' Findings of Fact, Conclusions of Law and Recommendation and the oral arguments presented before the City Council; now, therefore, be it
