(1)

Good Morning,

I would like to thank you for reading my statement.

I am a single mother and I have been in my house for 40 years. They repaired my street over 30 years ago I have a big tree on the Blvd. and they dug around the tree so deep that the roots were exposed I hauled in dirt to fill it in and planted flowers, then I am into flowers and love the earth. I couldn't afford landscaping stuff so I used pecks. now mind you I wasn't aware of pecks. Over the years I

(2)

have met so many wonderful people. Would you believe Tomer Meyer is back at Mo's. Stopped this summer to admire the flowers. I was so excited to meet him. Long getting covered away. Anyway I have maintained the entire block. always cleaning the street chairs. no matter how my body hurt because this is my home I landscaped my neighbors Blvd. not knowing that flowers for was considered acceptable. and now I feel so responsible for the letters they have received. I am a dervish if God bless me I will be

(3)

70 years old. I have been working as hard these past days and cleaned all the pots, dirtwood out off the bld. it took me 30 years to put it in — probably will not have years to remove it for I am by myself. I have never had to complaint. I am asking you to please give me time to finish cleaning it off. All I have no nests and bug sitting benches to sit on. There's so many beautiful bld. in my area that are unkept but I am not going to call and

(4)

complain. I'm small efforts are bringing back the nature to my area to bring back, birds, honey bees, bumblebees and so many pollinators. I will take and remove the plants as on the other bld. fire I previously stated I feel terrible that I have caused them harm by making sun block beautiful. When they uprooted the limbs in my neighbor. There was no action for rain-run off when I called years ago if they informed me that if

(5)

I wanted a main run-off
I would have to pay the
city for that service.
I don't have that kind of
money.

I found your inspector
was rude, his partner told
me, "I want this all gone."
I asked him if there was a
complaint of course he said
yes, and I said for \$30
you can no complaint, he said
to me "I want it all gone, the
plow could hit a rock." I
said if the plow came up on
the curb, then you should
have him checked. All the
years I have been here,

(6)

they always plow 3 feet
from the curb. I also
had a small sign up. do not
block walkway, do you
know how rude that is.
What if you don't had can't
get out of their walkway. I
realize it's a public street
people have them signs up
all over. Once again, I am
sorry for that. I have
removed the sign. I
would like to thank you
for your time reading this
