RE: 189 MAPLE ST
Ref. # 114628

Dear Property Representative:

Your building was determined to be unoccupied on July 18, 2023. Since certificates are for the occupancy of buildings, it has become necessary to revoke the Certificate of Occupancy.

Saint Paul Legislative Code provides that no building shall be occupied without a Certificate of Occupancy. In order to re-occupy the building, the following deficiencies (if applicable) must be corrected, and a complete Certificate of Occupancy inspection will be required.

DEFICIENCY LIST

1. SPLC 39.02(c) - Complete and sign the smoke alarm affidavit and return it to this office.
2. Sec. 40.06. - Suspension, revocation and denial. (a) Grounds for revocation. The fire code official may, in writing, issue a notice to the owner(s) and known interested parties of the city's suspension or revocation of a fire certificate of occupancy issued under the provisions of this code, or deny an application therefor: (3) If it is found upon inspection of the fire code official that the building or occupancy is in violation of provisions of this or other applicable safety codes, ordinances, rules and regulations; Due to long term non-compliance. Failure to allow access to complete inspection.
3. SPLC 34.19 - Provide access to the inspector to all areas of the building.

Saint Paul Legislative Code authorizes this inspection and collection of inspection fees. For forms, fee schedule, inspection handouts, or information on some of the violations contained in this report, please visit our web page at: <http://www.stpaul.gov/cofo>
