RE: Gas Station and Tobacco Shop license held by I Mart St Paul d/b/a I Mart St Paul for the premises located at 296 7th Street East in Saint Paul.
License ID #: 20230000995

Dear Licensee:

The Department of Safety and Inspections ("Department") has recommended adverse action against the Gas Station and Tobacco Shop license held by I Mart St Paul ("Licensee") herein for the premises known as I Mart St Paul located at 296 7th Street East (Licensed Premises").

Legal Basis for Action:

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee or applicant for a license. 'Adverse action' includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. 'Adverse action' also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code §324.07(j) states, "[n]o person may sell, offer for sale, or otherwise distribute any flavored products, unless excepted under section 324.07(l) of this chapter."

Saint Paul Legislative Code §324.03(5) defines flavored products as:

"any tobacco product, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product that contains a taste or smell, other than the taste or smell of tobacco that is distinguishable by an

ordinary consumer either prior to or during the consumption of the tobacco product, electronic delivery device, or nicotine or lobelia delivery product, including, but not limited to, any taste or smell relating to menthol, mint, wintergreen, chocolate, cocoa, vanilla, honey, fruit or any candy, dessert, alcoholic beverage, herb, or spice. A public statement or claim, whether express or implied, made or disseminated by the manufacturer of a tobacco product, tobacco-related device, electronic delivery device, or nicotine or lobelia delivery product, or by any person authorized or permitted by the manufacturer to make or disseminate public statements concerning such product or device, that the product or device has or produces a taste or smell other than tobacco will constitute presumptive evidence that the product or device is a flavored product."

Finally, Saint Paul Legislative Code §324.010(b) provides a presumptive penalty of a 10-day suspension for "[d]isplay possession or multiple incidents of sales of; single cigarettes; menthol tobacco products; or *flavored tobacco products*" (emphasis added).

Adverse Action Recommendation:

The Department of Safety and Inspections will recommend a 10-day license suspension penalty for violating the Saint Paul Legislative Code §324.07(j) and selling flavored tobacco with a Tobacco Shop license.

Factual basis for imposition of 10-day license suspension penalty:

On November 15, 2023, Department of Safety and Inspections (DSI) Inspector Allan Vang went to the Licensed Premises to inspect the premises due to a flavored tobacco products complaint. Inspector Vang spoke with the clerk Cherih Sidi and security guard Carl Nelson and introduced himself as a licensing Inspector for the City of Saint Paul with the DSI. Inspector Vang explained to Cheri and Carl that he was there for an inspection from a complaint that was received by DSI from the Minnesota Department of Revenue (MDR), for flavor tobacco products being offered for sale. Inspector Vang requested Cherih to contact the license holder to inform them that Vang was here today for a complaint inspection. With permission from Cherih and Carl Inspector Voyda went behind the counter to conduct an inspection, in plain sight on the left side of the counter five packs of Winston 100% Plant-Based Menthol cigarettes, on display behind the cash register one carton of American Spirit Perique cigarettes, eleven packages of Dutch Sweet Fusion Red cigars, twenty four packages of Backwood Russian Cream (both sing and five pack) cigars, two boxes of Backwood Dark Stout cigars, one packwage of Backwood Grape Authentic cigars. As inspector Vang continued his inspection he found eight Loon Blue Lightning vape pens, ten Loon Gum Mint vape pens, ten Loon Mint Crush vape pens, one not opened box of Dutch Sweet Fusion Red cigars, these products were located in a white plastic bag under the counter. Also, Vang discovered three additional cartons of American Spirits Perique in the back storage room. Inspector Vang asked if there were any other flavored tobacco hidden, Cherih and Carl said, "not that I know of."

During the inspection Mohamed Gaver (manager) arrived at the store, after the introductions and the explanation of today's inspection. Inspector Vang educated Mohamed that the above mentioned tobacco products discovered were in violation of City ordinance of the issued type tobacco license that they currently possess, these products will need to be stored in the back room and not removed until the distributor is scheduled to pick the product up (return). Inspector Vang observed Mohamed storing the tobacco violations in a red plastic tote and placed on a top shelf in the back room.

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **December 26, 2023**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent agenda for approval of the proposed remedy.
2. You can accept the penalty. If this is your choice, you should indicate it directly to the Department of Safety and Inspections, at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **December 26, 2023**. A self-addressed envelope is enclosed for your convenience. Acceptance of the penalty will be considered an admission to the violation and waiver of the hearing to which you are entitled. This matter will then be placed on the City Council Consent agenda for imposition of the recommended penalty of a 10 day suspension.
3. If you wish to admit the facts but you contest the 10-day license suspension penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **December 26, 2023**. The matter will then be scheduled before the City Council to determine whether to impose the penalty. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **December 26, 2023**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.03 (k).

- (2) *Cigarette* means and includes any roll for smoking, made wholly or in part of tobacco, irrespective of size and shape and whether or not such tobacco is flavored, adulterated or mixed with any other ingredient, the wrapper or cover of which is made of paper or any other substance or material except whole tobacco leaf, and includes any cigarette as defined in Minn.
