Think Before You Click: This email originated **outside** our organization.

Last year's rent raise notice. I went to 1517 Saint Paul Ave, the rental office for this and requested it in person. They immediately suggested I could find another place to live.
Do I have to worry about surprise inspections or being forced to find a new place to live?

Hi Elijah,

I was talking to DSI and we were wondering what was the percentage/ amount that was given to you last year. Also if you have any pictures or videos that you would like to share you can send them to me through this email.

Best,
