NOTICE OF INTENT TO DENY LICENSE

RE: Dance or Rental Hall license application submitted by Elite Wedding Event LLC
d/b/a Elite Wedding Event LLC for the premises located at 12425 53rd St N
Stillwater, MN 55082
License ID #: 20190001160

Dear Applicant:

The Department of Safety and Inspections will recommend denial of the Dance or Rental Hall license application submitted by Elite Wedding Event LLC d/b/a Elite Wedding Event LLC ("Licensee") located at 12425 53rd St N in Stillwater.

Legal Basis for Adverse Action:

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. Adverse action includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. Adverse action also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code §310.02(2)(b) requires that new license applications be investigated and reviewed stating:

"[T]he director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minn. Stats., chapter 364, and is otherwise available by law."

Saint Paul Legislative Code § 405.01(a) states: "No person shall operate a public dance or rental hall in Saint Paul without a license."

Adverse Action Recommendation:

The Department of Safety and Inspections (DSI) will recommend denial of the Dance or Rental Hall license application because you failed to obtain zoning approval, you failed to apply for the required permits, too much time has elapsed since you submitted your license application, the property is becoming a registered vacant building, and because there is a lack of progress in establishing use. Thus, DSI will deny your license based on violation to Saint Paul Legislative Code § 310.02 and § 310.04.

Factual basis for denial of Auto Repair Garage license:

On April 25, 2019, you submitted a license application for a Dance or Rental Hall and it has remained in a pending status since that time.

On December 20, 2022, you submitted a Building Permit application (ID #2022-126008) to remodel the building into a banquet hall and adult day care.

On May 26, 2023, this building/property became a Registered Vacant Building with the City of St Paul.

On July 31, 2023, Building Permit application #2022-126008 was withdrawn from the system due to the length of time since its submission, your failure to provide required information and the building becoming a Registered Vacant Building.

On September 28, 2023, DSI informed you that it would be unable to continue processing the application due to the length of time since the license application submission, due to the property becoming a registered vacant building, and due to your lack of progress in establishing

its use. DSI asked you to complete, sign, and return a request to withdraw//request for refund for your license application form. In that letter DSI informed you that if you did not return a completed and signed form by October 15, 2023, this matter would be reference to the City Attorney with a recommendation that adverse action be taken to deny your application. The letter informed you that if denied you would not be able to resubmit an application for one year.

As of today, the Department of Safety and Inspections has not been contacted with the information requested to continue processing your license applications.

You have five (5) options on how to proceed:

1. If I have not heard from you by **February 2, 2024**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Agenda for approval of the proposed remedy and denial of you license application.
2. Submit the required information requested to the Department of Safety and Inspections (DSI) located at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **February 2, 2024**.
3. If you wish to admit the facts but you contest the penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a public hearing no later than **February 2, 2024**. The matter will then be scheduled before the City Council to determine whether or not your Dance and Rental Hall license application should be denied. You will have an opportunity to appear before the City Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge ("ALJ"). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **February 2, 2024**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled before the City Council. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to recommend that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code §310.05 (k).

5. You can withdraw your Dance or Rental Hall license application. Complete and return the attached REQUEST TO WITHDRAW REQUEST FOR REFUND form to the Department of Safety and Inspections (DSI), located at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **February 2, 2024**.

If you have not contacted me by February 2, 2024, I will assume that you do not contest the denial of your Dance or Rental Hall license application. In that case, the matter will be placed on the next available City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please contact my Law Clerk, Alan Tellez Berkowitz at (651) 266-8744 or alan.tellez@ci.stpaul.mn.us.

Therese Skarda

Re: License Application for Elite Wedding Event LLC, doing business as same, ID # 20190001160, Located at 217 Mackubin St / **Rental Hall**

Dear Applicant:

On 04/25/2019 you submitted the above referenced license application and it has remained in a pending status since that time.

On 12/20/2022 you submitted a Building Permit application (ID #2022-126008) to remodel the building into a banquet hall and adult day care.

On 05/26/2023 this building/property became a Registered Vacant Building with the City of St Paul.

On 07/31/2023 Building Permit application #2022-126008 was withdrawn from the system due to the length of time since its submission, your failure to provide required information and the building becoming a Registered Vacant Building.

The Department of Safety and Inspections (DSI) Licensing Division is unable to continue processing this application due to the length of time since license application submission, this property becoming a Registered Vacant Building, and your lack of progress in establishing this use. To resolve the outstanding application you may **complete the following action by 10/13/2023:**

- Complete, sign and return the enclosed Request to Withdraw / Request for Refund license application form. Withdrawal of the application would not prevent you from resubmitting at a future date.

If you have not returned a completed and signed form by 10/13/2023 this matter will be referred to the City Attorney with a recommendation that adverse action be taken to deny your application. If denied, you would not be able to resubmit an application for one year.

I may be contacted at 651-266-9106 if you have any questions regarding this matter.

Sincerely,

Jeffrey Fischbach,

This is an HPC approval, so the status of that approval would be with them. It says it is valid for two years unless a permit is applied for and steady progress is happening. Once the permit is withdrawn, I'm not sure how steady progress would be happening. It has been four years, almost five. I am bringing in George Gause with Heritage Preservation.

John and Clint – Thanks for the follow-up on the Building Permit

David – I'm not sure how this impacts the Historical Use Permit (#19-010) from 02/28/2019 since they've never established the use and no longer appear to be making progress.

I'll be following up with the pending Rental Hall License Application (ID #20190001160) to get it resolved too once the Building Permit status in AMAND is changed.

(Ord 22-46, § 2, 11-9-22; Ord 23-32, § 2, 9-6-23)

Sec. 310.02. - Uniform procedures for application for the grant or issuance of the license, new application investigation and review, application denial, notice, levels of approval, objections and renewal procedures by license type.

1) *Class R Licenses.*

(a) *Application.*

1. *Form.* All applicants for a Class R License issued pursuant to these chapters must make both original and renewal applications to the director on such forms as are provided by the department. Such applications will not be received by the director until the director deems the application meets the substantially complete criteria. Subsequently, issuance of a license cannot occur until insurance policies, 01s, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below, are received and approved.
2. *Taxes.* No applicant will be granted a license or a renewal of a license required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances heretofore or hereafter required, the director determines that said applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said license.
3. Notwithstanding the previous paragraph, the council or the director may issue or renew a license if it is found that:
 - (a) The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;
 - (b) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
 - (c) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a license is issued or renewed because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

4. *Additional information.* the director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The director will require in every case the applicant to submit their name;

business or corporate name; names of partners, officers, directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.

5. *No reapplication within one (1) year after denial or revocation.* Unless an applicant is claiming evidence of rehabilitation as outlined in Minn. Stats. § 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.
 6. *Reapplication after denial; "interest" of applicant in revoked license.* An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.
 7. *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.
- (b) *New application investigation and review.* the director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minn. Stats., chapter 364, and is otherwise available by law. The director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the zoning administrator

or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new license will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the building official or their designee for investigation and recommendation.

(c) *Application denial.*

1. Denial of a Class R License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

(d) *Notice.*

1. Upon verification that an application for a Class R License is substantially complete, the notification requirements outlined in ENS Chapter A-11(11)(c) must be followed and the required ENS notice must be provided within two (2) public business days.

(e) *Levels of approval:*

1. *Approval recommended without conditions.* Where an application for the grant, issuance or renewal of a Class R License meets all the requirements of law, and there exists no grounds for denial, revocation or suspension of, or the imposition of conditions upon, such license, the director must grant, issue, or renew said license in accordance with the application.
2. *Approval recommended with conditions.* If upon review of an application for the grant, issuance, or renewal of a Class R License the director determines that there exist grounds for imposition of conditions, the director must provide the applicant or licensee notice and an opportunity to be heard in accordance with section 310.03.
3. If the prospective licensee does not object to the proposed conditions, the director will request that the matter be placed on the council consent agenda. The director shall notify the prospective licensee.
4. If the prospective licensee objects to the conditions proposed by the director, the director must follow the hearing procedures outlined in Saint Paul Legislative Code Section 310.03 and refer the matter to a hearing examiner.
5. Revocation or suspension. If the director determines that the renewal application for the renewal of a license does not meet all of the requirements of law or that there exist grounds for revocation or suspension of a Class R License the director will follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03.

(f) *Objections.* An appeal to the city council may be taken by any person aggrieved by the grant, issuance, or renewal of a Class R License provided that:

1. The appeal must be filed with the city clerk within thirty (30) days after the action by the director.

2. The only grounds for appeal will be that there has been an error of law in the grant, issuance, or renewal of the license.
3. The appeal will be in writing and will set forth in particular the alleged errors of law.
4. The council will conduct a public hearing on the appeal within thirty (30) days of the date of filing and will notify the licensee and the appellant at least ten (10) days prior to the hearing date.
5. The procedures set forth in section 310.03, insofar as is practicable, will apply to this hearing. Following the hearing, the council may affirm or remand the matter to the director, may reverse the director's decision, or place conditions upon the license based on the council's determination that the director's decision was based on an error of law.
6. The filing of an appeal will not stay the issuance of the license.

(g) *Renewal procedures.*

1. Class R Licenses may be automatically renewed by the director.
2. No waiver by renewal. The renewal of a Class R License will not be deemed to be a waiver of any past violations or of any grounds for imposition of adverse action against such license.

2) *Class N Licenses.*

(a) *Application.*

1. *Form.* All applicants for a Class N License issued pursuant to these chapters will make both original and renewal applications to the director on such forms as are provided by the department. Such applications will not be received by the director until the director deems the application meets the substantially complete criteria. Subsequently, issuance of a license cannot occur until insurance policies, bonds, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below are received and approved.
2. *Taxes.* No applicant will be granted a license or a renewal of a license required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances heretofore or hereafter required, the director determines that said applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said license.
3. Notwithstanding the previous paragraph, the council or the director may issue or renew a license if it is found that:
 - (a) The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;

- (b) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
- (c) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a license is issued or renewed because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

4. *Additional information.* the director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The director will require in every case the applicant to submit their name; business or corporate name; names of partners, officers, directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.
5. *No reapplication within one (1) year after denial or revocation.* Unless an applicant is claiming that they have evidence of rehabilitation as outlined in Minn. Stats. § 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.
6. *Reapplication after denial; "interest" of applicant in revoked license.* An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an

interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.

7. *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.

(b) *New application investigation and review.* the director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minn. Stats., chapter 364, and is otherwise available by law. The director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, as may be involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the zoning administrator or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new license will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the building official or their designee and inspections for investigation and recommendation.

1. *Verification of Class N License District Council Notification Form.* the director must take reasonable efforts to ensure that the district council has notified the department by email that the Class N License District Council Notification Form has been received.

(c) *Application denial.*

1. Denial of a Class N License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

(d) *Notice.*

1. Upon receipt of an application for a Class N License, the notification requirements outlined in ENS Chapter A-11(11)(c) must be followed.

The application must then be reviewed and once the director deems the application fully reviewed as required by these chapters and makes a recommendation, both the notice requirements outlined in ENS Chapter A-11 (14) and the required mailing must be provided. Notices must describe the license application received, staff recommendations (e.g., any conditions) and the process for public comment and objections.

(a) *Required mailing.* The director must notify by mail all owners and occupants who own property or reside within three hundred fifty (350) feet of the establishment to which the license is to be issued, of any such application, said three hundred fifty (350) feet

being calculated and computed as the distance measured in a straight line from the property line of the building where the prospective license will be located to the property line owned, leased or under the control of the resident and owners of the existence of an application and set the deadline for public comment at least fifteen (15) days after the date of mailing. The director must submit to the council a list of the names and addresses of each person or organization to whom notice was sent, and certification of such list by the director will be conclusive evidence of such notice and such notice will be attached to the resolution before council.

- (b) The failure to give mailed notice to owners or occupants residing within three hundred fifty (350) feet, or to community organizations, or defects in the notice, does not invalidate the council approval provided a bona fide attempt to comply with this section has been made. A bona fide attempt is evidenced by a notice addressed to "owner" and to "occupant" of the listed address. Only one (1) notice need be mailed to each house or each rental unit within a multiple-family dwelling regardless of the number of occupants.
- (c) *Notice requirement not applicable in downtown business district.* The notification requirements of this section shall not be applicable where the license is to be transferred to a place located within the downtown business district. For purposes of this section, downtown business district shall include all that portion of the City of Saint Paul lying within and bounded by the following streets: Beginning at the intersection of Shepard Road with Chestnut Street, Chestnut Street to Interstate Freeway 35E, Interstate Freeway 35E to Tenth Street, Tenth Street to Interstate Freeway 94, Interstate Freeway 94 to Lafayette Bridge, Lafayette Bridge to where the bridge crosses over Warner Road, Warner Road to the Wabasha Bridge, the Wabasha Bridge across the Mississippi River to the water line on the south bank of the river, thence in a westerly direction along the shore line to the point at which it intersects with "Line A," and then in a straight line across the Mississippi River to the intersection of Chestnut Street with Shepard Road. The location and legal description of "Line A" is indicated on the map attached hereto and incorporated and adopted herein by reference.
- (e) *Levels of Approval.*
 - 1. *Approval with or without conditions.* All Class N Licenses require council approval. If there are no conditions or the prospective licensee does not object to the proposed conditions, the director will request that the matter be placed on the council consent agenda. The director will notify the prospective licensee.
 - 2.

If the prospective licensee objects to the conditions proposed by the director and/or the conditions added by the legislative hearing officer after a hearing, the director must follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03 and refer the matter to a hearing examiner.

3. *Revocation or suspension.* If the director determines that the application for renewal does not meet all of the requirements of law or that there exist grounds for revocation or suspension of a Class N License, the director must follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03.

(f) *Objections.* If the director is recommending issuance of the Class N License, but the affected neighborhood organization(s) or other interested persons give notice within the fifteen (15) day period for public comment of objection to issuance of the license, the director must refer the matter for a hearing before the legislative hearing officer.

- a. The legislative hearing officer will set a hearing date and give notice of the time, place, and date of the hearing to the affected neighborhood organizations(s) and the applicant.
- b. At the hearing, the legislative hearing officer will take testimony from all interested persons.
- c. If the applicant cannot agree with license conditions suggested by the legislative hearing officer, the legislative hearing officer will make a recommendation to the council as to whether the matter should be referred for a hearing before an independent hearing examiner in accordance with the procedures set forth in section 310.03.
- d. After the legislative hearing, the legislative hearing officer must prepare a report and recommendations for council and set the matter on the council consent agenda.

If no objections are received, the legislative hearing officer will notify the director and have the matter placed on the council consent agenda. The director will notify the applicant and the affected neighborhood organizations established for citizen participation purposes of the placement of the application on the council agenda.

(g) *Renewal procedures.*

1. *Renewal procedures.* Class N Licenses may be automatically renewed by the director.
2. *No waiver by renewal.* The renewal of a Class N License will not be deemed to be a waiver of any past violations or of any grounds for imposition of adverse action against such license.

3) *Class T Licenses (Temporary).*

(a) *Application.*

- 1.

Form. All applicants for a Class T License issued pursuant to these chapters will make original applications to the director on such forms as are provided by the department. Such applications will not be received by the director until the director deems the application meets the substantially complete criteria.

Subsequently, issuance of a license cannot occur until insurance policies, bonds, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below are received and approved.

2. *Taxes.* No applicant will be granted a license or a renewal of a license required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances hereafter required, the director determines that said applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said license.
3. Notwithstanding the previous paragraph, the council or the director may issue a license if it is found that:
 - a. The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;
 - b. The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
 - c. The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a license is issued because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

4. *Additional information.* the director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The director will require in every case the applicant to submit their name; business or corporate name; names of partners, officers, directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.
5. *No reapplication within one (1) year after denial or revocation.* Unless an applicant is claiming that they have evidence of rehabilitation as outlined in Minn. Stats. 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based

solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.

6. *Reapplication after denial; "interest" of applicant in revoked license.* An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.
 7. *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.
- (b) *New application investigation and review.* the director will determine the sufficiency and accuracy of each new application and obtain any pertinent criminal history information as may be used under Minn. Stats., chapter 364, and is otherwise available by law. The director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, as may be involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the zoning administrator or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new license will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the building official or their designee for investigation and recommendation.
- (c) *Application denial.*
- a. Denial of a Class T License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

(d) *Notice.* There is no notice requirement for Class T licenses.

- (1) Temporary liquor license applications do not require notification action by the director upon receipt of an application under Chapter A-11. Notification requirements, if any, are handled by the applicant as part of the application process as outlined in the relevant section of the Saint Paul Legislative Code.

(e) *Levels of approval.*

- (1) *Approval recommended without conditions.* Where an application for the grant or issuance of a Class T License meets all the requirements of law, and there exists no grounds for denial, revocation suspension of, or the imposition of conditions upon such license, the director must grant or issue said license in accordance with the application.
- (2) *Approval recommended with conditions.* If upon review of an application for the grant, or issuance of a Class T License the director determines that there exist grounds for imposition of conditions the director must provide the applicant or licensee notice and an opportunity to be heard in accordance with the hearing procedures outlined in Saint Paul Legislative Code Section 310.03.
