Re: Appeal for property at 1540 Minnehaha Avenue East

Dear Mike Young:

This is to confirm that at the Legislative Hearing on June 4, 2024, Legislative Hearing Officer Marcia Moermond recommended that the City Council **waive the Vacant Building fee for 90 days (to September 8, 2024) and allow permits to be pulled.**

As discussed in the hearing, **reach out to Building Inspector Clint Zane** to discuss remaining permits necessary to complete the project. As indicated in your Code Compliance Inspection Report a building permit is required for certain items. He can be reached at 651-266-9029 or clint.zane@ci.stpaul.mn.us. Noted below, there are also two plumbing permits that need to be finalized, as well as an electrical permit, before the Code Compliance certificate will be issued. You may want to speak to him about those as well.
