Adopted

Yea: 4 - Councilmember Noecker, Councilmember Jalali, Councilmember Yang and Councilmember Jost

Nay: 0

Absent: 3 - Councilmember Kim, Councilmember Bowie and Councilmember Johnson

LEGISLATIVE HEARING DISCUSSION ITEMS

- 49** [RLH TA 24-268](#) Ratifying the Appealed Special Tax Assessment for property at 1841 DAYTON AVENUE. (File No. J2420R, Assessment No. 248524)

Assessment ratified and made payable over 4 years.

Also in attendance: Rachel Frazlin, owner/appellant

Marcia Moermond, Legislative Hearing Officer: Orders were written for removal of a desk that is shown on the screen. It got moved, but just around the corner. In Legislative Hearing, the person noted she was busy and gave a lot of reasons for why it wasn't moved. These reasons included COVID, traveling, and other things. I can't recommend deletion or reduction of an assessment based on those factors. The work was done, and this is the cost of doing the work and sending it to assessment.

Rachel Frazlin: I was ignorant of the law because my deceased husband managed the property. I can't lift more than 10 pounds due to back pain. I hired two people to move it behind my fence, fully expecting that it would get picked up by people who scour the neighborhood for free furniture. I didn't see the second notification. I'm managing my household alone with a disabled son, working as nurse practitioner, and dealing with other things. This ordinance drives our aging population to leave the city. This prevents elderly people from staying in their homes.

Councilmember Bowie moved to close public hearing. Approved 6-0

Council President Jalali: What are the options for payment over time in this situation?

Moermond: It could be made payable over 4 years.

Jalali: How would that work?

[Moermond described the assessment process]

Jalali: I will recommend payment over time and connect you with the Hamline Midway Coalition to see if they can help. I understand your situation.

Moermond: I will amend the resolution to make it payable over 4 years.

Jalali: I will move that.

Councilmember Yang: I support that. Could you describe the ordinance in question?

[Moermond described the relevant ordinance]

Councilmember Noecker: I support Jalali's motion. Our garbage contract also includes bulky item pickup and walkup service. Can the Department of Safety and Inspections (DSI) include that info when they write orders?

Moermond: We can bring it to their attention and it can be worked on. They're going through a system change right now.

Jalali: I would support that going forward.

Adopted as amended (payment to be made over 4 years)

Yea: 6 - Councilmember Noecker, Councilmember Jalali, Councilmember Yang, Councilmember Bowie, Councilmember Jost and Councilmember Johnson

Nay: 0

Absent: 1 - Councilmember Kim

52 [RLH TA 24-221](#)

Ratifying the Appealed Special Tax Assessment for property at 1762 ENGLEWOOD AVENUE. (File No. VB2409A, Assessment No. 248825)

Laid over to September 11, 2024 to consider an updated prorated vacant building fee if work is complete.

Also in attendance:

Mike Mortimer, owner/appellant

Brad Egan, owner's attorney

Marcia Moermond, Legislative Hearing Officer: This property has been in the Vacant Building Program since December 27, 2021. The vacancy initially resulted from a fire and a death on the property. What is before you is the December 27, 2023 – December 26, 2024 Vacant Building Fee. 7 months in, if we had finalized permits, I might have recommended pro-rating the fee down to 6 months. 4 permits remain not yet finalized. I met with the owner and attorney in the hall. This was our second conversation, the first being in the Legislative Hearing. Their ask is to show grace to continue to the matter for 5 weeks to September 11.

Brad Egan: Mike Mortimer has owned this property for 45 years. Mortimer was a union electrician and fixed a lot of problems with the property himself. Three days before Christmas in 2021 there was a fire, resulting in Mortimer's stepson being killed. He signed a repair contract while dealing with the remorse of the incident, and then had to spend a lot of time fighting the contractor, who gutted the property instead of just dealing with the part that was fire-damaged. A lot of Mortimer's improvements were taken out. He rented it and always had good tenants. There were then issues with the mortgage company and insurance company, which are now resolved. He's also had heart issues which have slowed him down as the primary contractor.

Council President Jalali: What is your ask?

Egan: We want another 5 weeks to complete the work before Council again considers this fee.

Jalali: What is the hope for what will happen in that time?

Egan: Mortimer will complete the electric work. He is not just repairing. He is improving the property. I have photos to share as well. On the screen you can see the high-quality work.

Councilmember Noecker moved to close the public hearing approved 6-0.

Jalali: What would extra time mean for the resolution before us?

Moermond: I ask that the amount be prorated based on the continued amount of time. I also ask that if the work is still not completed that the assessment should be ratified.

Jalali: I would like to do that.

Councilmember Jost: I support that motion.

Councilmember Johnson: Could you explain the prorating?

Moermond: We will update the percentage of the assessment that is to be paid based on how long the building will have been in the vacant building program. If the building end up having been in the program for 9 of the 12 billed months, Council could prorate the assessment proportionally.

Johnson: I support that motion.

Councilmember Yang: I'm sorry for your loss. I support the motion. I hope you take advantage of this extra time

Jalali: The motion again is to lay this over to September 11, and update the prorating of the assessment accordingly if the work is done.

Public hearing closed and laid over to September 11, 2024

Yea: 6 - Councilmember Noecker, Councilmember Jalali, Councilmember Yang, Councilmember Bowie, Councilmember Jost and Councilmember Johnson

Nay: 0

Absent: 1 - Councilmember Kim

59 [RLH VBR 24-39](#) Appeal of Steven R. Schwartz to a Vacant Building Registration Notice at 1105 PAYNE AVENUE.

Appeal denied.

Also in attendance:

Steven Schwartz, owner/appellant

Cindy Schwartz, owner's wife

Marcia Moermond, Legislative Hearing Officer: This is a property that had its Fire Certificate of Occupancy (FCO) revoked. The main level was a mercantile use in the past and inspected as such. The second floor was apartments. It doesn't appear the basement was previously rented. The owner rented the main level and the basement to a tenant who used it as an assembly space. This was likely done with the owner's understanding, as he makes frequent trips to the property. The assembly use would

require adequate exiting, bathrooms, door width, and other things. There were also unlicensed liquor sales being done, with paper signs for drink costs and where to send the money in Cash App. This building was not designed for this purpose. The FCO was revoked, the tenants moved, and the property was sent to the Vacant Building Program not long after. This is an appeal of that Vacant Building Registration. The owner did not want to be in the program, and about 20 minutes into the hearing after some attempted problem solving and suggested modifications, the owner left the hearing and we could not come to a conclusion on the record. Therefore my recommendation is to deny the appeal.

Cindy Schwarz: We don't understand why this property is vacant. We always have tenants, and changeover always results in empty space. That doesn't mean it is vacant. Secondly, we don't know why this property is condemned. We never saw those photos Moermond showed or any structural issues. We just got this condemnation letter and no notification from inspectors or police beforehand. These bikers put us on the middle of this situation. Also, how can you send a condemnation and send it to the Vacant Building Program on same day? That's not supposed to happen. People were also discussing case without husband present at the property. This is why we as landlords have no rights. Police never notified us of gang activity or alcohol sales.

Council President Jalali: What is your ask?

Schwarz: We want off the Vacant Building list and the fees removed. We want to paint it and sell it.

Steve Schwarz: Unlike Moermond said, the condemnation and the vacant status happened on the same day. I'm also wondering if all those officers always show up on a first inspection.

Councilmember Yang moved to close the public hearing. Approved 6-0.

Yang: What are some other examples of things that took place beyond the alcohol sales?

Moermond: A notice went out on June 14 to owner with a correction notice stating that the business was not being used correctly and had a reinspection date of June 20. Orders were written then and another reinspection was done on June 28, when it was referred to the Vacant Building Program. Vacant Building file was opened on July 3. Schwarz was present during the inspections when information was provided. During an effort to explain the situation, he left abruptly but did return. I don't know what other discussions happened besides that. To the point about staff present for the inspections, I can't speak to that. I can only say that the Department of Safety and Inspections (DSI) and Police make those decisions as they see fit. I Legislative Hearing, those present aside from me and my staff were the inspector who wrote the orders, the manager for the inspection area, one of the officers present at the inspection, and a subordinate from the police commander who wanted to attend but was unable to. If there were conversations outside of the hearing, I wasn't there.

Yang: Assembly use would require a lot of changes like you mentioned, for fire safety. This seems like a proper fit for the building. They should continue conversations to pursue this use.

Moermond: The entire building is not condemned. Ordinance does allow for a portion of building be condemned. The upper floors are not condemned.

Councilmember Noecker: A similar situation happened in my ward. What would be needed to remove the Vacant Building status?

Moermond: It depends on the use. Mercantile or assembly use would need a new code complaint plan with building permit applications and approved final inspections. Sufficient degradation has taken place so I think that is necessary.

Noecker: With this being just one month in, is it possible they could get this done quickly and have things prorated?

Moermond: It's possible. In this case, the hearing ended before I could discuss those options.

Noecker: It seems like it's in the owner's interest to talk with you and get this resolved as soon as possible.

Yang: I move Moermond's recommendation

Councilmember Bowie: Could you clarify what the recommendation is?

Moermond: To deny appeal and have the space registered as a Vacant Building. The condemnation is not in front of you. The condemnation order was appealed within 10 days of the order being written.

Councilmember Johnson: I strongly urge the owner to see what they can do to move the process along and keep dialogue open. I support Yang's motion

ADJOURNMENT

Meeting ended at 4:51 PM

City Council meetings are open for in person attendance, but the public may also comment on public hearing items in writing or via voicemail. Any comments and materials submitted by 12:00 pm of the day before the meeting will be attached to the public record and available for review by the City Council. Comments may be submitted as follows:

The public may comment on public hearing items in writing or via voicemail. Any comments and materials submitted by 12:00 pm of the day before the meeting will be attached to the public record and available for review by the City Council. Comments may be submitted as follows:

Written public comment on public hearing items can be submitted to Contact-Council@ci.stpaul.mn.us, CouncilHearing@ci.stpaul.mn.us, or by voicemail at 651-266-6805. Live testimony will be taken in person in the Council Chambers, and by telephone by registering to speak by noon on the day before the meeting. The registration link is located on the City Council website at www.stpaul.gov/council or <https://forms.office.com/g/TD3xN7WHy5>.

Council Meeting Information

The City Council is paperless which saves the environment and reduces expenses. The agendas and Council files are all available on the Web (see below). Council members use mobile devices to review the files during the meeting. Using a mobile device greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released minutes, agendas, and meetings are available by subscription. Visit www.stpaul.gov/council for meeting videos and updated copies of the agendas, minutes, and supporting documents.

Cable

Meetings are live on St Paul Channel 18 and replayed at various times. Check your local listings.
