Mr. Eggen,

At the Council Public Hearing Wednesday (7/16), she will ask the Council to continue the matter to Council Public Hearing Wednesday, August 13, 2025 at 3:30 pm. If the project is completed by that time and has recivied its Code Compliance certificate, she will recommend a reduction of the assessment by half (\$5,077 to \$2,539), otherwise the recommendation will be to approve in full.

No need to attend this Wednesday, I will send information on how to testify on 8/13 in my follow up letter should you wish too.

Can you relay this to Mr. Mortimer? I will send a formal follow up letter out, but I doubt he will receive it by Wednesday.

Thank you!
Joanna

I do see at first glance they are the same contractors, but none of these inspections have gone beyond rough in and the last time anyone was out for many was last fall. Permits also expire within a year, tpically. Mike or yourself may want to Confirm with Clint Zane what's going on; especially since there's that recent complaint about work being done without permits (not sure what that is about). He's copied here, but I know Mike has been speaking with him from the hearing it sounds like.

Thanks,
Joanna

Joanna,

Would you please be so kind as to forward this email and document to the Legislative Hearing Officer?

Ms. Moermond:

Attached is my client Mike Mortimer's Work Plan Breakdown Cost of Rehabilitation as discussed at the teleconference this Tuesday.

Thank you for your patience. This was completed following in person meetings with the involved contractors and Mr. Mortimer. Please contact me personally with any questions or concerns.

Respectfully submitted,
