Good afternoon,

This email is to confirm that at last week's Legislative Hearing, the Legislative Hearing officer recommended the Council delete the assessment. Please note that it will remain as a pending assessment until after the Council vote March 25, so make sure it isn't paid in the meantime.

Second, as discussed in the hearing attached is the Certificate of Occupancy change form to change who notification goes to if receiving orders for the property. Please return it to the Department of Safety and Inspections directly. You may also want to double check that Ramsey County has the correct address as well, as assessment information is pulled from there.
