Saint Paul, MN 55103

St. Paul Police Department-

On February 13, 2026, the Saint Paul Police Foundation reviewed and approved a \$4,774.41 donation request to send two Public Information Officers (PIOs) to the 2026 IACP PIO Section Midyear Conference. The Foundation's Grants Committee unanimously supported the request, recognizing the value of learning national best practices and engaging with leading communications professionals in the field.

Strong community relationships are built on transparent, timely, and authentic communication. We are proud to partner with the Saint Paul Police Department in supporting continued professional development that strengthens those efforts.

Sincerely,

Kristen Sheehan
