Legislative Hearing Team-

Please see the attached signed affidavit for the Groveland Tap upgraded liquor license and charitable gaming license. Thank you for your help throughout this process. We are very excited to provide expanded services to our guests and our community and to the St Paul Capitals Hockey Association.

With council on recess this week, it is our great hope that this item can be expeditiously added to the consent agenda on 4/15/26. As mentioned in a previous email dated 4/2/26 from Jeffrey Fischbach, it would be ideal if this matter were added to the consent agenda on 4/15/26 as our current license expires on 4/15/26 and issuance of the new license would align best for continuous licensing without any lapse in coverage.

Please advise as soon as possible if there are additional requirements needed to process this request for a 4/15/26 addition to the consent agenda. I am available at your convenience by phone at 612-916-0166 or via email at Stephanie@Blueplateco.com. Thank you for your assistance and help with this matter.

Best Regards,
