Hi Mai,

Per your request, please see below. Most of the rear board line belong to the blue garage (693 St. Albans St). The Summary Abatement required the property (685 Van Buren Ave) own to remove and properly dispose of the materials (scrap woods & wood fence panels) leaning against the side of the garage/property in the rear. Please see attach photos. Summary Abatement had been issued to 693 St. Albans St property to remove and properly dispose of the debris in the rear of the property already. Thank you.

Respectfully,

Allan Vang

Hi Allan,
Can you confirm if the blue garage is the neighboring property. He submitted some photos in the appeal. Property owner said in the appeal, that the trash may not be his?

Please send photos for the hearing.
