
Sec. 65.230. Golf course.

Standards and conditions:

- (a) The site shall be so planned as to provide principal access directly onto or from a major thoroughfare [in definition], and to achieve a relationship between the major thoroughfare and any proposed service roads, entrances, driveways and parking areas that encourages pedestrian and vehicular traffic safety.
- (b) Development features, including the principal and accessory buildings and structures, shall be located and related so as to minimize the possibilities of any adverse effects upon adjacent property. All principal or accessory buildings or structures shall be situated at least two hundred (200) feet from any property line abutting residentially zoned or used lands; provided, that where topographic conditions are such that buildings would be screened from view, the planning commission may modify this requirement.
- (c) In residential districts, the course shall consist of at least nine (9) holes ~~and shall not include "pitch and putt" miniature golf courses.~~
- (d) Golf courses ~~shall not be lighted for night use~~ that are equipped with lighting for night use shall not operate after 10:00pm.
