St. Paul Police Department-

On June 23, 2026, the Saint Paul Police Foundation reviewed and approved a \$35,000 donation to support tuition assistance for Saint Paul Police Department officer candidates. The Foundation's Grants Committee and Board of Directors unanimously supported the request, recognizing the critical importance of recruiting, developing and retaining high-quality candidates who are committed to a career in law enforcement. The Saint Paul Police Foundation is proud to partner with the Saint Paul Police Department in helping remove barriers for future officers and ensuring they have the training, support and resources needed to serve our community effectively, safely and with distinction.

Sincerely,

Kristen Sheehan
