TO: Saint Paul Property Owner or Resident

FROM: Public Works Traffic Engineer Division

SUBJECT: Notice of upcoming Public Hearing for Permit Parking Area 23

The City of Saint Paul is presenting to City Council a modification to Residential Permit Parking Area 23 to include:

- Princeton Avenue between Woodlawn Avenue and Mount Curve Boulevard, and
- The east side of Mount Curve Boulevard between Princeton Avenue and Fairmount Avenue.

This proposed modification follows a resident-led petition that meets the City's requirements for consideration. The petition results and supporting information were presented to the Macalester-Groveland District Council on May 14, where the proposal was reviewed and discussed.

The proposed modification will be considered at a public hearing before the Saint Paul City Council on August 26, 2026. Residents and other interested parties are welcome to attend and will have an opportunity to provide public testimony before the City Council takes action.

If approved, the modification would extend the existing Residential Permit Parking regulations to these blocks to help address parking impacts in the immediate area.

Sincerely,

Matthew Giragosian, P.E.
