You don't often get email from theesbr@gmail.com. [Learn why this is important](#)

Hello!

As a neighbor of Waldmann Brewery, I wanted to write in my support of their Sound Level Variance request for the dates noted in September. It is a joy to have Waldmann organizing such community-centered events, and being able to hear any out-of-the-ordinary sounds from my home as a result of that, is much welcomed in order to enable these opportunities for our community.

Best,

Barb Thees
